FUNDING AWARENESS PROGRAMMES

PRIME ENTREPRENEURS' JOURNEY TOWARDS ACHIEVEMENT

14th of November, 2022- Neha Nialang, founder of Dalade Foods – a startup belonging to Cohort 2.0, launched her new product - Bamboo Leaf Beverage at the Chief Minister's E-Championship Conclave 2022.

Dalade Foods is a women led initiative selling local food products to customers across the globe. This venture was solely launched with the aim to reduce wastage of the farmers' produce. Her new addition, the Bamboo Leaf Beverage has numerous health benefits and serves as a caffeine-free alternative to Green Tea. Neha, in her speech during the launch, spoke about a year of learning, growing and connecting with like-minded individuals and professed a big 'Thank You' to PRIME for all their commitment and support towards entrepreneurship.

19th of November 2022- Shri. Swapnil Tembe, IAS, Deputy Commissioner of West Garo Hills District inaugurated the new Unit of Vanilla Food processing - Start up from Top 25 (cohort 3) at Dalu (WGH). The same unit was constructed with PRIME funds received in 2021 from NESFB.

4th of December 2022- Rynsan Creation Pvt. Ltd, a Startup of the Cohort 1 Incubated at PRIME Meghalaya was featured in the Assam based Media "Business Northeast" for creating a range of healthy snacking options using dehydrated fruits, spices and honey by using an eco-friendly customised solar dehydrator for drying. It is to be noted that Rynsan Creation Pvt. Ltd., a startup from Meghalaya, has been chosen by National Agricultural Cooperative Marketing Federation of India Limited (NAFED) to produce Spicy Dried Pineapple for the national promotion of Ri Bhoi Pineapple under the ODOP (One District One Product) scheme of the Government of India. NAFED is marketing the spicy dried pineapple throughout India, and it is also sold on Amazon.

"We continually find a way to create useful products even from the wasted parts or by products and they are in the pipeline. We continually do research and development of all seasonal fruits and vegetables in such a way that nothing is wasted but everything is processed including the peel, pulp, core or seed and the juice. In this way we can also provide healthy & nutritious savoury food items which are organically grown. The idea is to gain maximum profit from every single fruit. Through our company we want to use technologies that are eco-friendly, which will also create social impact in terms of livelihood & ethics in business dealings" Raymond R. Lyngdoh Director & CEO Rynsan Creation Pvt. Ltd told Business Northeast.

5th of December 2022- Namku K. Marak from Williamnagar, an entrepreneur of PRIME's Pre-Incubation Program recently started the Phenyl manufacturing business which manufactures different variations of phenyl such as Rose fragrance phenyl, Blueberry fragrance phenyl, Lemon fragrance phenyl, etc and launched his products on the 5th of December, 2022.
