MEGHALAYA'S

BRILLIANCE ON DISPLAY

A glimpse into the **product and services** of
PRIME's
Dedicated
Entrepreneurs

About PRIME

PRIME (*Promotion and Incubation of Market-Driven Enterprises*) is the entrepreneurship development and promotion initiative by the **Planning Department, Government of Meghalaya**. **PRIME** aims towards building an inclusive and supportive ecosystem that allows local entrepreneurs to start, grow and flourish. A dedicated team works across the state to help entrepreneurs overcome their challenges and become role models for the youth of the state.

What PRIME Offers

Various entrepreneurship and technical training, exposure visits and more

Incubation for revenue stage entrepreneurs

Free office and co-working space

Funding and DPR making support

Partnerships - market, funding, technology and legal linkages

Connect to Industry experts and mentors

Enabling other entrepreneurship drivers

Why This Catalogue

The **PRIME** Meghalaya Product Catalogue showcases the diverse products and services of local entrepreneurs, offering a single platform for visibility, market access, and collaboration. It connects businesses with buyers, partners, and institutions while highlighting innovation, quality, and the entrepreneurial potential of Meghalaya.

Manufacturing

William lawren

About the startup

William lawren turned his love for local culture into beekeeping. Nurturing bees and harvesting floral honey, he supports his family while preserving heritage, showcasing Meghalaya's traditions, and transforming passion into meaningful community impact.

Social Impact

William lawren preserves traditional beekeeping to promote Meghalaya's unique heritage. By producing pure, high-quality honey and valuing indigenous knowledge, he supports sustainable rural livelihoods and inspires the youth to view farming as a modern path to success.
